

Sage Pastel Accounting Bank Manager

Reconcile your bank account in no time.

Don't waste another minute on manual bank reconciliations.

We know that reconciling your bank account can take hours, if not days to complete. We can help by making your bank recons a breeze with our Bank Manager add-on module. It simplifies things by automating the whole process, saving you loads of time!

Here's how it works:

Download an electronic bank statement

Quickly and easily map your transactions to the correct ledger accounts

Let Bank Manager automatically assign them for you after each import

You need to have a valid Business Care Licence contract to access this module.
